## CHAPTER 1: PURPOSE

### 1.1 PURPOSE

The Board, as the governing body of the Texas Computer Education Association, is entrusted with the authority to establish policy for the governance of TCEA. Board policy establishes the parameters and guidelines for Board Members, committees, and the Executive Director.

The purposes of TCEA policies are to:

- 1.1.1 Proactively inform Board members and Executive Director of the Association's intent, goals and aspirations;
- 1.1.2 Promote consistency of Board action;
- 1.1.3 Clarify Board and Executive Director roles.

### 1.2 BOARD POLICES ARE NOT STAFF POLICIES

TCEA makes an important distinction between Board policies and staff policies. Board policies establish the broad parameters within which Board and Executive Director will operate. Staff policies, developed and implemented by the Executive Director, outline the specifics of how the staff will operate within Board policy.

Personnel policies are an example of staff policy developed by the executive. The Executive Director develops the personnel policies appropriate to their staff, and has them examined by an attorney familiar with personnel policy. The Executive Director then informs the Board that personnel policies are in place. The Board is not directly involved with developing personnel policies other than to ensure that the Executive Director has carried out that project.

Once the Board officially adopts a new Board policy, that policy is the standard for dealing with the subject matter covered by the policy. If an issue comes before the Board that is not in line with existing policy, the issue is out of order and will be considered only in terms of policy change.

### 1.3 POLICY DECISIONS REQUIRE A MAJORITY VOTE OF THE BOARD

All policy decisions will be made by majority vote of the Board and only at official Board meetings.

### 1.4 SOURCE OF POLICIES

Policies may be recommended to the Board by committees of the Board, individual Board Members or the Executive Director. Any policy recommendations shall be submitted in writing to the Chairman of the Bylaws and Policies Committee. All proposed policies will be researched to ensure that they are legal, and, when added, do not contradict already established policy or bylaws of TCEA. If approved by the Board, policies will be written, coded, dated at time of approval, and included in all copies of the Board policy manual.

## **1.5 CONSIDERATIONS FOR ALL POLICIES**

All policies proposed to the Board should be tested. Is the proposed policy:

- Really necessary for good operation of TCEA?
- Consistent with our mission statement?
- Within the scope of Board authority?
- Consistent with local, state and federal law?
- Compatible with other policies of this Board?
- Practical?
- Broad enough to cover the subject completely?
- Enforceable?

## **1.6 ACCOUNTABILITY FOR CARRYING OUT POLICIES**

The Executive Director will be accountable to the Board for carrying out these policies, ensuring that all policies are effectively explained to the employees and making every reasonable effort to see that they are understood, accepted, and complied with.

## **1.7 DISTRIBUTION OF POLICY MANUAL**

The Board policy manual will be available on-line through the TCEA website for the general public to view.

## **1.8 AMENDMENT OR SUSPENSION OF POLICY**

All policies will be annually reviewed during the Board Retreat by the TCEA Policies and Bylaws Committee for accuracy and appropriateness, and recommendations will be made to the Board for amendment, addition, or elimination. Except as otherwise provided by law, any policy of the Board may be suspended, repealed, amended, or waived by a majority vote of the Board.

- 2.31.3 The Executive Director will regularly bring opportunities for Board Member advocacy to the Board.

2.31.4 The Executive Director will ensure that each Board Member has a supply of brochures or other materials about TCEA programs and services, and inform Board Members about other equipment and materials available for advocacy activities.

## **2.32 MEASURING COMMUNITY/MEMBERSHIP NEEDS AND CONCERNS**

2.32.1 The TCEA Board recognizes the importance of getting feedback from those we serve. Therefore, TCEA will regularly survey the membership for feedback about TCEA programs and services.

2.32.2 The Executive Director will be responsible for conducting the surveys. Results of the membership satisfaction surveys will be reported to the TCEA Board. Information gathered will be used to develop the TCEA long-range plan.

## **2.33 REQUESTS FOR CORPORATION INFORMATION FROM TCEA**

From time to time the public/members will request information or records from TCEA. To protect the corporation and those we serve, information will be released only under the following conditions:

2.33.1 All requests for information, other than routine public information, about TCEA will be channeled to the Executive Director for a decision about releasing that information. If there is question about the appropriateness of releasing any information, the Executive Director will seek advice from the Board of Directors.

2.33.2 Information about personnel matters will not be released to anyone outside the organization.

2.33.3 Information discussed in executive session of the Board will not be revealed.

2.33.4 Proprietary information that could have an adverse effect on TCEA finances will not be released.

2.33.5 Matters considered confidential under state and/or federal law will not be released.

## **2.34 PUBLIC COMMUNICATIONS**

It is the TCEA Board's policy to encourage release of information to the public regarding programs, Board activities and consumer concerns. That communication will:

2.34.1 Maintain integrity in dealing with the public and the news media. The Executive Director (or designee) is the official spokesperson and shall provide the news media with a formal channel of communication.

2.34.2 Use the various news media for the promotion of TCEA programs and raise the community consciousness regarding TCEA services.

2.34.3 Communicate always in an accurate and honest way consistent with other related Board policies.

## **2.35 BOARD MEMBER MANAGEMENT OF STAFF AND PUBLIC CONCERNS**

It is the policy of the TCEA Board that when a Board Member is contacted by a staff member or member of the general public who has a concern or complaint about TCEA or persons within TCEA, the Board Member will follow these procedures:

2.35.1 Remember that individual Board Members have no power or authority to speak or act for the full Board.

2.35.2 Listen to the person's concern.

2.35.3 Express a desire to reach a satisfactory solution.

- 2.35.4 Explain that the Board and management have established a process for handling concerns which starts with the person most immediately responsible. Suggest that the concern be discussed with the person immediately responsible.
- 2.35.5 Refer the member of the general public to the official complaint form.
- 2.35.6 Refer staff to the grievance procedure.
- 2.35.7 Assure the person that the complaint process {2.36} will be followed.
- 2.35.8 Ask the person to report back to you about the progress or resolution of the concern, if desired.

## 2.36 PROCESS FOR PERSONS OTHER THAN TCEA STAFF TO FILE A COMPLAINT

Each step in this procedure will give consideration to the complaint and will be a review of facts. Each individual receiving the complaint will issue a written response within a specific time period outlined below. If remedy is not achieved through the steps, the TCEA Board is the final hearing body.

- 2.36.1 From time to time situations may occur that create legitimate complaints on the part of the public or the membership relative to TCEA. Complaints must be aired so that all sides of the issue may be heard and a rational procedure/solution found.
- 2.36.2 Anyone having a complaint is encouraged to file a complaint. The form can be found at the end of the Board policies. All complaint forms must be submitted by the person originating the complaint. The nature of the complaint should be stated as well as the relief sought.

STEP I -- Formal Process -- The formal process begins with the person filing the complaint. The person filing the complaint prepares a written, signed, and dated statement containing name, address, and telephone number; the condition, situation, or individual being complained about and why; the requested remedy.

STEP II -- If the complainant is not satisfied with the decision at the first level, the person filing the complaint may present the complaint to the Executive Director (in writing) and expect response within (5) days from the date it was presented to the Executive Director.

STEP III -- If the complainant is not satisfied with the decision of the Executive Director, the person filing the complaint may submit a copy of the complaint to the TCEA Board within (10) days of receiving the Executive Director's deposition.

STEP IV -- Within (20) days, the Board will have conducted a hearing, from which it has gathered enough testimony and/or other pertinent information on which to base its decision. Once able to reach a majority decision, it will do so in writing to the complainant. This decision is final.

### No Retaliation

- 2.36.3 No person, who in good faith reports a concern, shall suffer harassment, retaliation, or adverse employment consequence. An employee who retaliates against someone who has reported a violation in good faith is subject to discipline up to and including termination of employment. This Whistleblower Policy is intended to encourage and enable employees and others to raise serious concerns within the organization prior to seeking resolution outside the organization.

### Reporting Violations

- 2.36.4 In keeping with the policy of maintaining the highest standards of conduct and ethics, TCEA will investigate any suspected fraudulent or dishonest use or misuse of TCEA's resources or property by staff, Board Members, consultants, or volunteers. A person's concerns about possible fraudulent or dishonest use or misuse of resources or property should be reported to the next level of responsibility. If, for any reason, a person finds it difficult to report their concerns to next level of responsibility, the person may report the concerns directly to the

Executive Director or Board President. If the complainant wishes to remain anonymous, the complainant can submit the complaint in writing to the Executive Director or Board President. Reports of violations or suspected violations will be kept confidential to the extent possible, consistent with the need to conduct an adequate investigation.

### **Acting in Good Faith**

2.36.5 Anyone filing a complaint concerning a violation or suspected violation must be acting in good faith and have reasonable grounds for believing the information disclosed indicates a violation. Any allegations that prove not to be substantiated and which prove to have been made maliciously or knowingly to be false will be viewed as a serious disciplinary offense.

## **2.37 HARASSMENT POLICY**

This policy only pertains to harassment involving a Board member or any member appointed to a position by the TCEA Board either as alleged victim, an alleged perpetrator, or a witness. TCEA is firmly committed to an environment free from all forms of harassment. Harassment violates TCEA policy and, in certain instances, might violate state and federal laws. It is neither permitted nor condoned.

### **Prohibited Conduct**

2.37.1 All types of harassment are prohibited, including, but not limited to, sexual harassment. Harassment on Association premises or at any TCEA function is prohibited.

### **Sanctions**

2.37.2 Sanctions against a board member, or any member serving at the request of the TCEA Board of Directors may include, but are not limited to, oral warnings, written warnings, removal from the TCEA commitment, and/or legal action.

### **Complaint Procedure**

2.37.3 Any board member or any member serving at the request of the TCEA Board who believes they have been or is being subjected to any form of harassment is encouraged to directly inform the offending person that the conduct is unwelcome and must stop. If the person who believes they have been harassed is uncomfortable approaching the offending person, the meeting is unsuccessful, or the conduct continues, they will report the matter to the Executive Director or the President. Any third party who knows of or suspects the occurrence of harassment is encouraged to report the matter as set out above. Nothing in this policy will require the person alleging harassment to present the matter to the person who is the subject of the complaint.

### **Investigation**

2.37.4 The Executive Director and President may confer with legal counsel to initiate an investigation. If an investigation occurs the affected individual will be notified of the outcome at the conclusion of the investigation. The Board will be notified of the outcome at the discretion of the Executive Director and President.

### **Protection from Retaliation**

2.37.5 Retaliation for any good faith report of harassment is prohibited. Any person who believes they were subjected to such retaliation or further harassment should immediately follow the same reporting procedure as that set forth above for reporting harassment. Confirmed acts of retaliation will be treated in the same manner as confirmed harassment.

### **Confidentiality**

2.37.6 To the fullest extent practical, all reports and any associated information relating to the investigation of harassment will be kept confidential. All Board Members and the Executive Director who receive information

concerning alleged or actual harassment will keep such information strictly confidential and only discuss such information when appropriate.

### **2.38 TCEA TRAINING**

Any curriculum materials developed under contract to and paid for by TCEA will remain the property of TCEA and not the individuals who developed the curriculum.

### **2.39 REMOVAL OF A MEMBER OF THE BOARD**

A member of the Board shall be removed from office for failure to fulfill the duties of the office, for violation of the bylaws of the organization, TCEA Code of Ethics Pledge and Confidentiality Agreement, or any violations of the TAC 19 §247.2. Code of Ethics and Standard Practices for Texas Educators.

### **2.40 PROCESS FOR REMOVAL OF BOARD MEMBER**

The President will consider evidence of any violation outlined above and determine whether there has been an actual violation. The President will notify the Board Member in writing that there has been a violation(s), and that they are being considered for removal from the Board. The member shall have 10 days to respond to the notification in writing to the President of the organization. After the 10 days, the President will present the data received to the Executive Committee, and if necessary, a recommendation for removal may be made to the Board. The Board, after considering all data presented, may remove the member of the board by a two-thirds (2/3) vote of the remaining members of the Board. During the review process, the Board Member in question cannot participate in any TCEA Board Meeting, activity, or event.

### **2.41 REMOVAL REPLACEMENT OF BOARD MEMBER**

The President, or designee in the absence of the President, shall recommend a replacement for a vacant board position created by the removal of a Board Member at the next meeting. The recommended replacement will be approved or disapproved by a majority approval of the Board Members. Any replacement member of the Board shall hold office until the next election for the designated area, at which time the appointed director is subject to re-election.

### **2.42 PRESIDENTIAL VACANCY REPLACEMENT**

Any vacancy of the office of the President occurring through death, resignation, or otherwise, shall be filled by the past-president for the remainder of the term.

## CHAPTER 4: TCEA INVESTMENT POLICY

The purpose of this statement is to make known by all the intent of the Board of Directors (Board) of Texas Computer Education Association (TCEA) with regard to the investments of TCEA. The Board's intent is to place TCEA's funds in instruments of investment that would be of the best interest of TCEA for future growth potential.

All TCEA funds shall be managed by the Board. At the discretion of the Board, a staff member, external agent, or agencies may be engaged to manage funds of the organization; in which case, the external manager(s) shall be responsible directly to the Board. The external manager will be approved by the Board on a yearly basis.

The primary objectives of investment activities, in priority order, shall be safety, liquidity, and yield.

### 4.1 SAFETY

Safety of principal is the foremost objective of the investment program. Investments shall be undertaken in a manner that seeks to ensure the preservation of capital in the overall portfolio. The objective will be to mitigate credit risk and interest-rate risk.

4.1.1 Credit Risk: The organization will minimize credit risk, the risk of loss due to the failure of the security issuer or backer, by:

4.1.1.1 Pre-qualifying the financial institutions, broker/dealers, intermediaries, and advisors with which the corporation will do business; and

4.1.1.2 Diversifying the portfolio so that potential losses on individual securities will be minimized.

4.1.2 Interest-Rate Risk: The organization will minimize the risk that the market value of securities in the portfolio will fall due to changes in general interest rates by:

4.1.2.1 Structuring the investment portfolio so that securities mature to meet cash requirements for ongoing operations, thereby avoiding the need to sell securities on the open market prior to maturity; and

4.1.2.2 Investing operating funds primarily in shorter-term securities.

### 4.2 LIQUIDITY

The investment portfolio shall remain sufficiently liquid to meet all operating requirements that may be reasonably anticipated. This is accomplished by structuring the portfolio so that securities mature concurrent with cash needs to meet anticipated demands. Furthermore, since all possible cash demands cannot be anticipated, a portion of the portfolio also may be placed in bank deposits or repurchase agreements that offer same-day liquidity for short-term funds.

### 4.3 YIELD

The investment portfolio shall be designed with the objective of attaining a market rate of return throughout budgetary and economic cycles, taking into account the investment risk constraints and liquidity needs. Return on investment is of secondary importance compared to the safety and liquidity objectives described above. The core of investments is limited to relatively low risk securities in anticipation of earning a fair return relative to the risk being assumed. Securities shall not be sold prior to maturity with the following exceptions:

- A security with declining credit may be sold early to minimize loss of principal;
- A security swap would improve the quality, yield, or target duration in the portfolio; and
- Liquidity needs of the portfolio require that the security be sold.

#### 4.4 INVESTMENT RESTRICTIONS AND PROHIBITED TRANSACTIONS

To provide for the safety and liquidity of the corporation's funds, the investment portfolio will be subject to the following restrictions:

- Borrowing for investment purposes ("leverage") is prohibited.
- Contracting to sell securities not yet acquired in order to purchase other securities for purposes of speculating on developments or trends in the market is prohibited.
- No investments in "sin stocks" including gambling, alcohol, tobacco, and pornography.

To the extent possible, the corporation shall attempt to match its investments with anticipated cash flow requirements. The Board will determine appropriation of investment cash flow funds on at least requirements on a semi-annual basis.

The short-term funds for operational purposes are placed in TCEA's business checking account. Short-term funds are available immediately and used for immediate use for day to day operational needs. Short-term funds should not be less than six months' estimated operating expenses.

Short to intermediate-term funds will be invested in zero-risk, low-yield accounts such as a money market account or renewable CDs. Short to intermediate funds will be for emergency use within 6 months to 2 years.

The goal of long-term investments is to benefit the organization and its members. Long-term investments should be diversified with a balanced mix of equities and bonds in aggressive as well as moderate risk categories. The long-term funds are for future growth of the organization in the next 2-10 years and beyond.

#### 4.5 SPENDING POLICY

A two-thirds majority vote of the Board of Directors is required in order to access funds from long-term investment account(s).

### 5.1 TCEA SIG

Each SIG functions under the financial and structural umbrella of the Association that retains all rights and responsibilities for the SIG name, publications, assets and liabilities.

### 5.2 TCEA SIG COMMITMENT

- 5.2.1 Each SIG President will submit an annual budget of planned activities that will be submitted to the Board President and Records and Finance Chair for board approval.
- 5.2.2 Only expenditures allowed for in an approved budget are authorized.
- 5.2.3 All SIG budget amendments must be submitted to the Board President and Records and Finance Chair for approval within a minimum of three weeks prior to activity/event.
- 5.2.4 The Event Planning Form will be used for events with expenses exceeding \$1,500.00.
- 5.2.5 Income and expense totals from the Event Planning Forms will be included in the budget.
- 5.2.6 Assets must be itemized in the budget and include a plan for use and storage of the item. Each SIG must maintain an inventory of all assets.
