Special Notes

** Awards Ceremony times are tentative and may change due to the pace of the contest events. Please plan accordingly.

Family and friends are welcome to attend the Arena Gym Competition; however, the Inventions Competition will be closed to all spectators and sponsors during judging hours. Please note the designated times for viewing the inventions projects.

In the spirit of competition, we ask all sponsors and students to refrain from communicating with each other during the contest to ensure student problem solving and team collaboration. Nonprofessional conduct during the competition will result in reduction of points. If misconduct continues, disqualification may occur.
